Notice regarding the impact of the earthquake off the eastern coast of Aomori Prefecture

We would like to express our deepest sympathies to all those affected by the earthquake that struck the eastern coast of Aomori Prefecture on December 8, 2025.

Regarding impact of the earthquake on our business operation, we have confirmed that there are no facilities damage, production equipment damage or employee injuries at our manufacturing locations and enterprise place so far.

Plant operations are not disrupted.

If any concerns that may have a significant impact on our business activities become known in the future, we will promptly inform you.
