Notice regarding the impact of the earthquake off the coast of Iwate Prefecture

We would like to express our deepest sympathies to all those affected by the earthquake that struck the coast of Iwate Prefecture on June 25, 2026.

Regarding impact of the earthquake on our business operation, we have confirmed that there are no facilities damage, production equipment damage or employee injuries at our manufacturing locations and enterprise place so far.

Plant operations are not disrupted.

If any concerns that may have a significant impact on our business activities become known in the future, we will promptly inform you.
