Notice regarding the impact of the 2026 Kumamoto Earthquake

We would like to express our deepest sympathies to all those affected by the earthquake that struck the Kumamoto region of Kumamoto Prefecture. We hereby provide the following update regarding the impact of this earthquake on our company.

As of now, no injuries to our employees have been reported as a result of the earthquake.

In addition, no damage has been identified to our production facilities, factory buildings, or manufacturing equipment, and our operations continue as normal.

We are currently assessing any potential impact on our customers and supply chain and will continue to monitor the situation closely.

If any concerns that may have a significant impact on our business activities become known in the future, we will promptly inform you.
